

B.A. III (SEM V) Urdu Literature

Course Outcomes

Section: Prose

It describes the laws of poetry, its scope and areas. It also denotes that the poetry should be related to real life. It's a detailed description of objections on traditional Gazals with some literature views and suggestions in favour of Urdu poetry.

Section: Poetry

It deals with a real love of Allah, relations between Allah and man. It describes how should be the real love with its highest peak; human relationship and its responsibilities.
