Annual Gender Sensitization Action Plan

Introduction

Being the only women's college in the city college and its various departments is aware about the responsibilities towards society and specially women's and children's. Various social involvement activities are arranged throughout the year for the various elements of the society.

Aims and Objectives

- Every female student must know about their rights and duties
- Make students aware about the concept of equality

Action Plan

1. Confidence building through motivational speakers workshop
2. Students' involvement in college programs.
3. Ask the Doctor programme where students can ask health related issues to the doctor.
4. Mentor Mentee program where students can ask questions related to their day to day problems to their related mentor.
5. Financial literacy workshop
6. Visits to industrial area and public administration offices for understanding real working.

Outcomes

Women's Empowerment and Gender Equality is one of the primary concerns at our institute. We practice to bring a positive change in the attitude and support equity among genders within the institute and in our outreach. Annual gender sensitization plan is as follows: Objective: To promote inclusiveness, tolerance, harmony and women's empowerment among the students and staff.

- Conduct activities like: Blood donation camp, Aids awareness, female foeticide (Save girl Child), COVID-19 pandemic awareness drive(Fight Against COVID Mission), Pulse Polio Drive for polio eradication etc in order to give back to the society
- Promoting activities related to health, nutrition, road safety, self-defense and entrepreneurship among the female students.
- Conduct workshops related to cybercrime, safety and security and career enhancement for students.
- Guidance regarding the financial investment for students and staff.
- Conduct workshops that promote diversity and gender-sensitive communication for students and staff alike.
- Mentorship in college to be provided where faculty and students can approach in matters of gender-related issues.

- Monitoring and evaluation mechanisms for implementation and their follow-ups.
- Conducting regular awareness-raising activities among students and staff

-To create cyber security awareness and keep updated in this digital world

-To prepare a students with the technical knowledge and skills needed to protect and different computer systems and networks

-To provide information on monitoring cyber security mechanisms.

Organiser: The IQAC and the Physical Education Deptt.

Chairperson: Dr.D.B.Kunte, Principal.

Coordinator:Dr.R.V.Dharmadhikari

Beneficiaries:All students of Arts Faculty.

Report:

In this digital world where each one is increasingly wired to social media and the internet, the concerns of cyber security, cyber bullying, cyber hygiene are pertinent. Everyone needs to be well informed of what steps one can take to keep themselves safe. With this notion IQAC of our Institute hosted an interactive session by renowned cyber security expert Mr Amol Puri and.Pankaj Giri from Cyber Cell of Yavatmal and Hon'ble Shubhangi Aagashe,SP of Yavatmal.

The session was conducted in two phases where expert interacted with the students and staff separately. In the very first session discussion about the trending apps and games and the legal aspects of accessing the internet, ethics and rules of using social media and gaming were discussed. The audience were introduced to various terminologies like cyber bullying, hacking,

fishing, cloning, digital frauds and grooming. The difference between ethical hacking and hacking was clarified to the audience and the consequences of digital personification were told. Several case studies were shared with the audience and they were further sensitized towards privacy and security of data. Five values Responsibility, Respect Compassion, Resilience and Integrity were emphasized and the cyber laws of India were shared with the audience. Further some tips for Internet Banking and safe online transactions were shared. Women and children can report anonymously on cyber crime. gov. in. The workshop was conducted by co-ordinator Dr.R.V.Dharmadhikari and vote of thanks were proposed by Virat Ghude, Director Physical Education. Internet is a technology not a toy and we should harness it carefully and your safety is in your hands, stay alert, stay safe is the main address of this workshop.

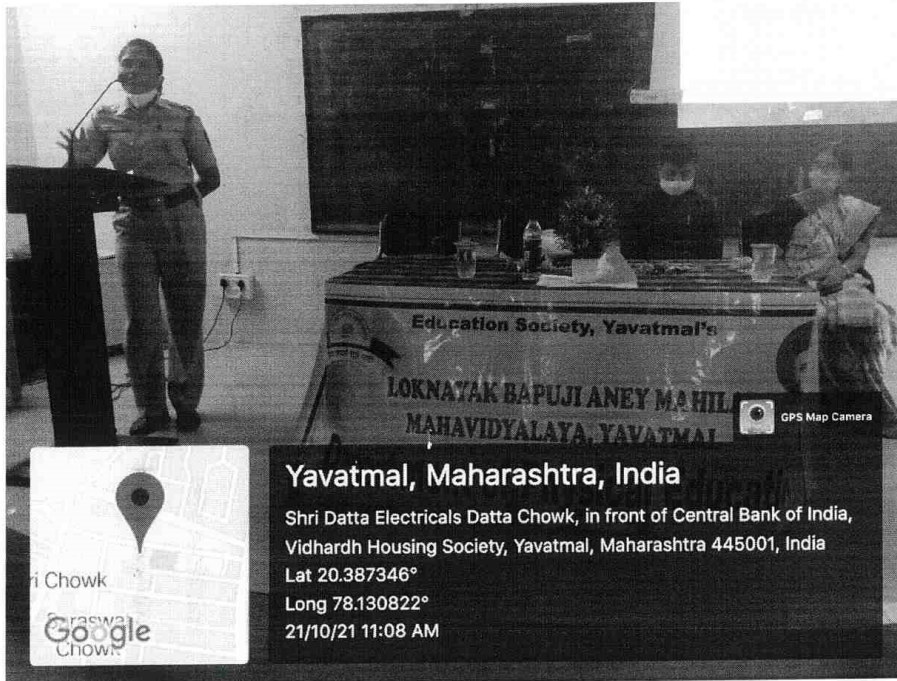

Outcome:

This workshop is helpful to make students cyber vigilant.

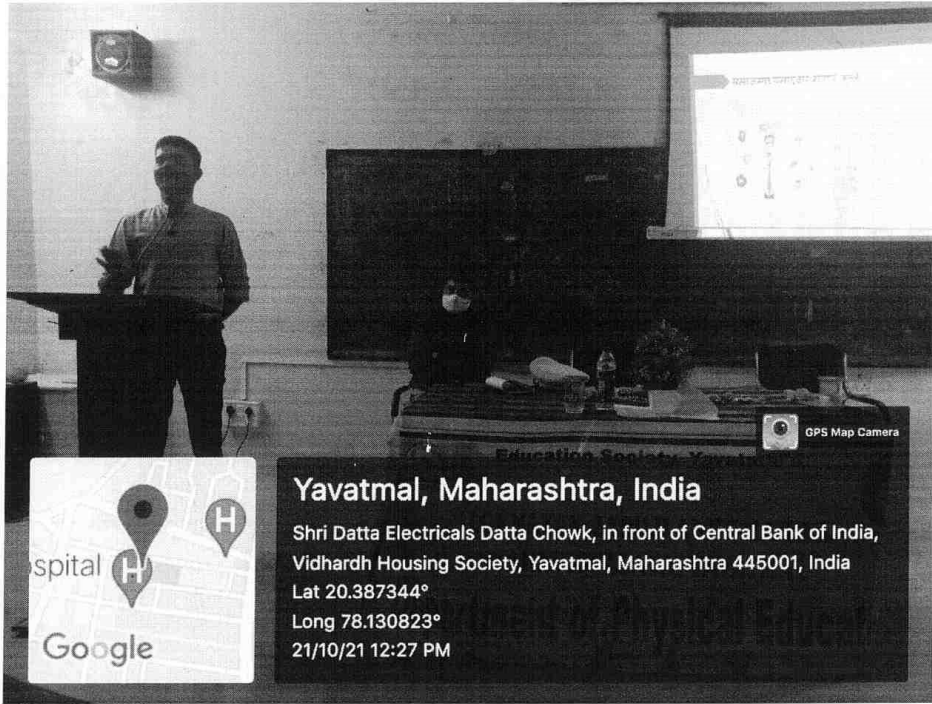

This workshop made students capable of defending themselves against cyber attacks.
