from other content providers for an agreed fee. There are usually three relationship types for e.g. - commission junction, advertisers like for e.g. or a consumer like Yahoo.

of Malware Website :- A site created specifically to attack visitors' computers on their first visit to a Website by downloading a file (usually a Trojan horse). These websites rely on unsuspecting users with poor anti-virus protection in their computers.

of Celebrity Website :- A website in which information revolves around a celebrity or public figure. These sites can be official (endorsed by the celebrity) or fan-made (run by a fan or fans of the celebrity) without explicit endorsement.

For e.g. - Jimmy.com

of Corporate Website :- Used to provide background information about a business organization or service.
