Minutes of IQAC Held on 22/9/20

Held on 22 September 2020

Online mode - What's app

Points discussed and recommendations made:

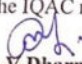

Principal Dr Durgesh Kunte has welcomed all the new members. He also briefed the progress on conducting academic activities, theory and practical sessions and examinations through online and the mechanism implemented for the ensuring effectiveness of online academic activities.

Progress of AQAR submission has been discussed.

Progress of evaluation assessment and overall examination process has been discussed in detail. Students' grievance and redressal in charge Dr. Tated put forward her views on it. It was observed that online exam time table evaluation and result declaration all these processes get entangled with each other. Furthermore, grievances of students with ATK.T, who were facing the problem of overlapping exams, increase the burden of students and lecturers as well.

Departments are requested to organize webinars, lectures etc. by eminent academicians in collaboration with IQAC via online platforms for the benefit of students.

All the IQAC members were present in this online meeting.
